2 SINGAPORE EDUCATION LANDSCAPE

2.1 LOAD PATHWAYS

Load Pathways lets you select any of the possible education pathways with a single click of the mouse to generate the progression of all the levels for the pathway.

<p>1.</p>	<p>Select Singapore Education Landscape from the Education Guide drop-down menu.</p>	
<p>2.</p>	<p>The Singapore Education Landscape page is displayed. Click the Load Pathways button.</p>	
<p>3.</p>	<p>Click the Possible Pathways drop-down list to display all the pathways.</p> <p>Select a pathway and click the Go button.</p> <p>Example: “JC/CI to Universities (2)”.</p>	

<p>4.</p> <p>The selected pathway is displayed with Education Information sections.</p> <p>Click on the “+” symbol of any of the education sections to see the details.</p> <p>Example: ‘Duration’</p> <p>The “Duration” section is expanded to show you the duration details for the pathway.</p>	
<p>5.</p> <p>Save your selected pathway as a favourite by clicking on the Add to Favourite symbol.</p>	

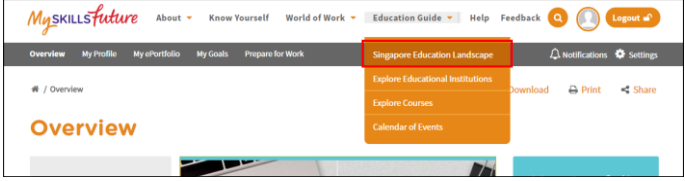

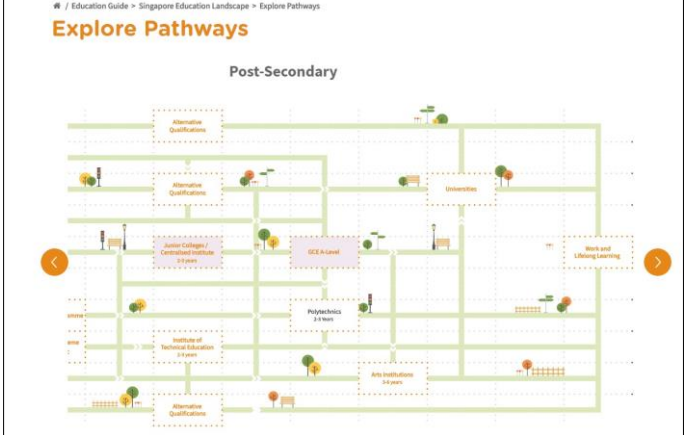

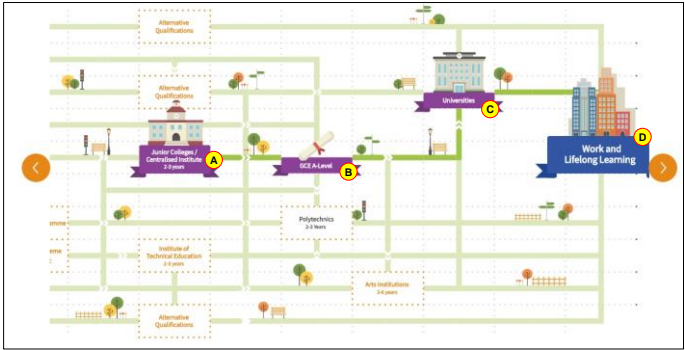

6. Pathways that you have added to Favourites will be displayed in the **Singapore Education Landscape** page.

The screenshot shows the 'Singapore Education Landscape' interface. At the top, there is a header with the title 'Singapore Education Landscape' and a sub-header: 'We enjoy a flexible education system that caters to different interests and ways of learning. Explore the many learning options available based on your interests and strengths.' Below this are three buttons: 'Load Pathways', 'Explore Pathways', and 'Landscape Overview'. The main content area is titled 'My Favourite Pathways' and contains a table with the following data:

NAME	TYPE	ACTION
JC/CI to Universities (2)	Possible Pathways	
JC/CI to Arts Institutions	Possible Pathways	

2.2 EXPLORE PATHWAYS

Explore Pathways provides you with a visual roadmap where you can explore possible options in the education system starting from Pre-University level to work and lifelong learning stage.

<p>1.</p>	<p>Select Singapore Education Landscape from the Education Guide drop-down menu.</p>	
<p>2.</p>	<p>The Singapore Education Landscape page is displayed. Click the Explore Pathways button.</p> <p>The Explore Pathways roadmap is displayed.</p>	 
<p>3.</p>	<p>Click a level from the starting point and continue to the next valid level.</p> <p>Example: To explore the “Junior Colleges/Centralised Institutes 2-3 years” to “Work and Lifelong Learning” pathway.</p>	

	<p>Click the following:</p> <ul style="list-style-type: none"> A. Junior Colleges / Centralised Institute 2-3 years B. GCE A-Level C. Universities D. Work and Lifelong Learning <p>Click on the  or  buttons to scroll the roadmap to the left or right.</p>	
<p>4.</p>	<p>You can also do the following after exploring a pathway:</p> <ul style="list-style-type: none"> A. Save B. Add to Favourite C. Add to Compare D. Clear All 	

2.3 OVERVIEW

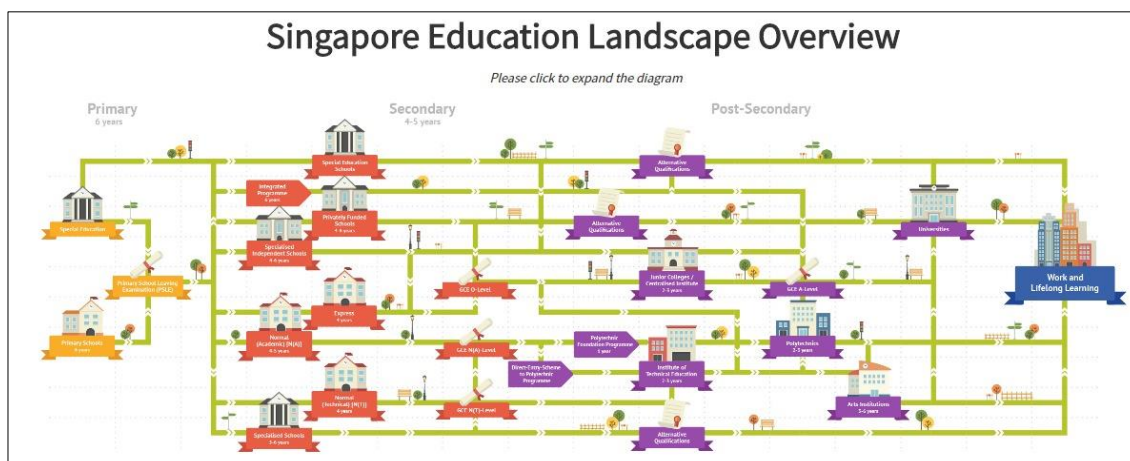

Figure 2-1: Singapore Education Landscape Overview (Education Guide)

The **Landscape Overview** (Figure 2-1), shows you all the various education pathways available. The colour-coded **Primary**, **Secondary** and **Post-Secondary** pathways all the way to **Work and Lifelong Learning** make it easier for you to understand the progression from one education level to another.
