1 CAREER QUEST

Figure 1-1: Career Quest (After Login)

Career Quest contains an exciting virtual world where you can explore different industries and jobs using your customised avatar, and a series of mini games where you can challenge yourself and test your skills.

1.1 CREATE YOUR OWN AVATAR

Create your own **Avatar** (your virtual self) to explore the Virtual World.

<p>1. Under Career Quest, click Play Game.</p>	
<p>2. Click Edit to start editing your own Avatar.</p>	
<p>3. Customise your Avatar using the various tabs. Click Done to save your changes.</p>	

1.2 VIRTUAL WORLD

Figure 1-2: Career Quest Menu

Career Quest is an interactive game where you can learn more about different job roles and industries through interacting with different characters and completing quests. It also contains mini games to allow you to test and find out where your skills and strengths lie.

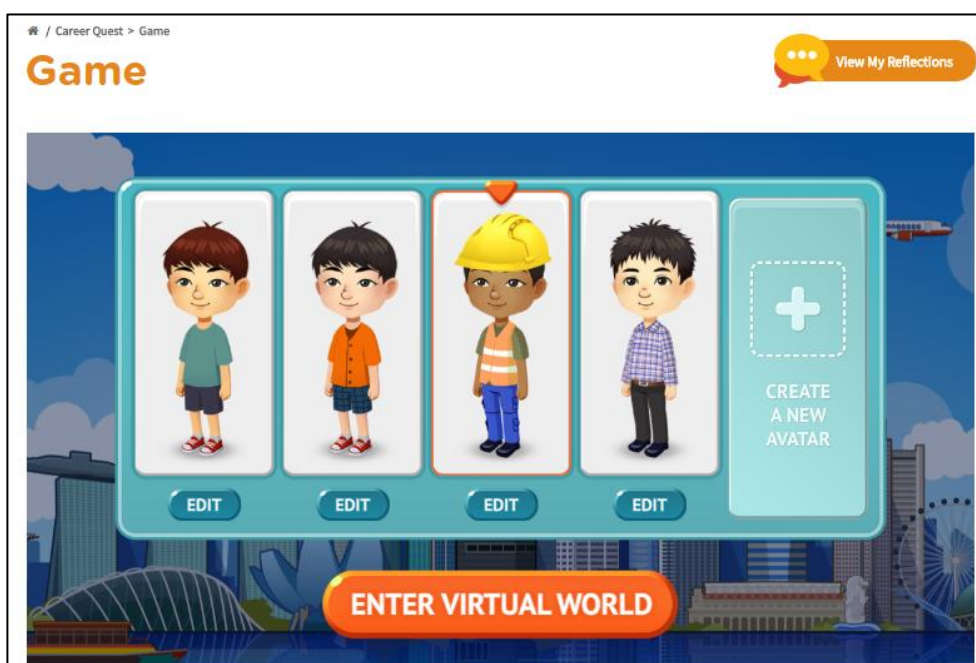

Figure 1-3: Virtual World (Career Quest)

Create your own **Avatar** and use it to explore the virtual landscape.

Enter any industry and talk to the different characters to learn more about their job roles. Earn points, badges and costumes along the way!
